

Do you want to fast-track your business to a better performance?

A brand new Business Programme set in the University of Portsmouth.

The Plato@Portsmouth Programme is a commercial, peer group learning programme which will help you deliver better results to your bottom line. Combining Plato's undisputed success in leadership programmes and input from University of Portsmouth lecturers, the Plato@Portsmouth Programme offers the MD or business owner an opportunity to fast-track their business growth.

Why is the Plato@Portsmouth Programme better than any other management programme?

Because of the unique mix of commercial and academic business expertise all in one group. Whatever the problem, someone has the answer.

The group is starting in July 2010.

What are the key benefits?

- **Increased turnover (an average of 34%)***
- **Acquire new business***
- **Increased profits**
- **Sharper leadership focus**

*past participants reported an increase of 34% in turnover and 50% acquired new business through the network achieved as a result of joining a PLATO™ group.

This programme offers:

- Real practical business support, advice and peer to peer mentoring.
- Support that responds to current and emerging business and economic trends.
- A network of like-minded business people.
- An opportunity to address your own specific challenges (not just follow the book)
- To develop your own leadership knowledge and skills.
- An opportunity to build on your existing success.

"Like having the board you couldn't afford!"
